**THE WILBER CASE STILL ON**

**A LIVELY TILT BETWEEN ATTORNEYS YESTERDAY—THE CASE IS POSTPONED UNTIL TODAY—NO AFTERNOON SESSION.**

The trial of Wilberg was continued yesterday on the opening of the circuit court. It had not proceeded far before a wordy tilt took place between Assistant District Attorney McCue and Attorney Fulton, over the placing of a Chinese expert on the stand, to figure out a date comparing with the Chinese calendar. After the witness had concluded, the defense closed its case and then McCue asked permission to introduce another witness, which was allowed. Sven A. Gimre was called to the stand and sworn. When Attorney Fulton discovered that the witness was not called in rebuttal, he registered a vigorous objection against the witness testifying. He claimed that the prosecution had no right to bring in a witness after the case on both sides had closed, but Judge McBride overruled the objection, and allowed the witness to answer questions put to him. He testified that Wilberg had been in his place of business, and endeavored to have a \$100 bill changed, on the day he was arrested. When turned over to Fulton, for cross examination, the attorney asked that he be allowed until tomorrow to commence cross examination as the bringing in of the witness was a surprise to him. The court allowed him until 3 o'clock yesterday, but Fulton insisting that the time was too short, finally asked the judge to allow him until 1 o'clock, to determine whether he could proceed at 3 o'clock. To this Judge McBride assented and an adjournment was taken. When court again convened the judge ordered another adjournment until 1:30 this afternoon.

Kelly was not in Astoria when the warrant was issued but on hearing of its issuance he immediately came to this city and gave himself up. His hearing was immediately held and he pleaded guilty, stating to Judge Goodman, that he did so to save annoyance to his friends, though he could prove, by many, that his action was in self-defense and justifiable. The judge fined him \$25, which he paid and was released.
